## Reach Your Peak Performance!

### Resistance Loop Band Set

**Light-Yellow Medium-Blue Heavy-Green**

All bands include a “NO QUESTIONS ASKED” 60 day warranty.

## I. Resistance Band Squats

- a. Start by sliding the loop band around thigh height with both feet shoulder width apart.
- b. While holding both hands in front of you, start into a full squat, until your legs are parallel with the floor.
- c. Return from a squat position to the standing/start position to complete a full repetition.

## II. Triceps Extension

- a. Start by grasping the tubing putting one hand down on your side and the other hand behind your back.
- b. Extend the arm behind the back upwards towards the ceiling, until arm is fully extended.
- c. Return extended arm to starting position to complete one repetition.
- d. Switch arms to opposite position to exercise other arm/triceps.

## III. Standing Leg Abduction

- a. Start by looping band around both legs, near ankle height in a standing position.
- b. While keeping core tight, raise your left leg laterally out to your side.
- c. Slowly lower raised leg back to starting position.
- d. Alternate legs for work both sides of lower body.

## IV. Lying Leg Abduction

- a. Start by lying on your side, while looping band around lower legs.
- b. Drive bottom leg towards floor while lifting top leg against the band.
- c. Hold and slowly return the top knee to the starting position.
- d. Flip on other side to work both legs.
